This amazing altar call happened in Bugogwa, Tanzania on February 10, 2024. Our preachers, David Dewes and Peter Couper labored in the Word and the Spirit along with Bishop Eugene Murisa. Together they saw this mighty harvest of hundreds of souls. The fields truly are ripe unto harvest (John 4:35). Hundreds of people were healed in their bodies and many were delivered from evil spirits. Jesus is Lord and King!

More From Tanzania

Jesus is Still Healing Today!

As we travel across America, we are reminded of the words in Hebrews 13:8, "Jesus Christ is the same yesterday, today, and forever." Be encouraged by these testimonies that Jesus is still saving, healing and delivering those who trust and believe (John 11:40).

Above, this man is testifying of the healing of his feet. Pain went down the drain. Below, this man is testifying of the healing of his shoulder as he moves his arm freely. Both of these healings happened at Family First Church, Spring Hill, Florida.

At left, this lady had joint pain and needed shin splints. She is healed at Open Arms Church, Grasston, MN.

At right, this lady had chronic pain since 2007. Now it is gone. Also at Open Arms Church.

At left, this lady had much pain after hip and shoulder surgery. No pain now. Also at Open Arms Church.

At right, this lady had longstanding neck pain, which left. Cornerstone Church, New Richmond, WI

Lord God is Moving by His Spirit

From February 4-13, 2024, we released a ministry team to Tanzania. The team preached in a five-evening gospel and healing festival in Bugogwa, north of Mwanza. On the first evening several hundreds of people came curiously to discover what would happen, and what they experienced was a message of love inviting them to “Join the Family of God” that was accompanied by the outpouring of the Holy Spirit, convicting their hearts, bringing deliverance to captives, and healing to broken bodies! Word quickly spread through the neighborhood that God was present and performing miracles! Each evening of the meeting there was a greater manifestation of the presence and power of God that drew bigger crowds, and the team could feel the hunger of the people increasing. During the five nights more than 1750 people came forward to ask Jesus to be their Savior and to surrender their lives to Him! The crowds cheered as many dozens of people gave public testimony of the healing and deliverance they received, and several proclaimed, “Today I joined the family of God!” On the final evening the crowd did not want to leave; they stayed past nightfall. We attribute the great impact of these meetings to the Lord’s gracious answering of all of you who are joining us in earnest prayer, and through your financial donations, to see the Lord reach the lost people of our generation. When the team arrived at Nuinyambiti for the well dedication, they found a group of the villagers overflowing with gratefulness, singing, and dancing to demonstrate their tremendous appreciation for the well. After the team shared the gospel of Jesus Christ with the villagers, the local spokesperson thanked the team for the well and said their prayer was that other villages would be blessed in the same way.

In June we are sending a team back to Tanzania to preach in another five-evening festival. Our team will also be teaching in the annual national conference held by our partners in Tanzania, led by Bishop Eugene Murisa; we expect approximately five hundred bishops, pastors, leaders, and youth members to attend this conference. We are also praying for the \$8,000 to provide a fresh water well in Mayolwa, a village with 3,773 people who are currently drinking unsanitary water. **Please join with us once again in earnest prayer for the Lord’s will to be accomplished. Please also consider making a financial donation to make this mission possible.** You may use the form on the back to designate your gift. Thank you!!
